

BURSARY SCHEME FOR FOUNDATION OR START LEVEL COURSE CANDIDATES FOR THOSE IN FINANCIAL NEED

COACHING APPLICATION FORM

Grants are available to affiliated sports clubs in the area normally covered by Surrey Playing Fields to assist one of their young coaches who are in need of financial support to attend a recognised course to develop their coaching skills. The highest level of grant will be 50% of the cost of an appropriate course with a maximum of £250. The sponsoring sports club, or another funding agency, will be expected to fund the remainder. The bursary scheme is subject to the funds being available.

Applicants must inform the SPF if funding applications have already been made to other agencies, i.e. Sport England, National Governing Body (NGB) etc. SPF may monitor the process and reserves the right to contact the Club at any stage during the 12 months following the coaching qualification.

SPF intends that a decision concerning the outcome of the application will normally be made within 4 weeks of receipt of an electronic Application. Any course that has commenced before the Grant offer is made will not be eligible for funding.
